From minor modifications to custom solutions...

Casing

- LED Indicator
- On/Off Switch
- Molded Mounting Tabs
- Mounting Brackets with Molded Logos
- Accessory Socket
- Dual Output Cables
- External Replaceable Fuses
- Manual Reset Button
- Plastic Extrusions
- Aluminum Extrusions
- Case Tooling
- Metal Enclosures
- Splash-proof Casing

Custom Aluminum Frame
Custom Plastic Face Plate
Custom Harness Assembly

Creative

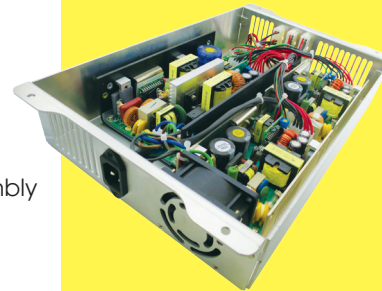

Custom Sheet Metal

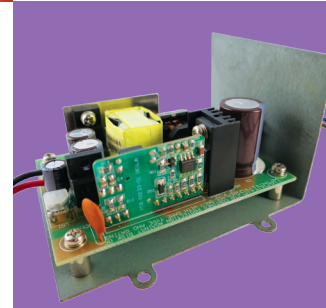

Internal

- Conformal Coating
- Variations on AC Grounding
- Extra Filtering Caps
 - For Lower Output Ripple
 - Reduce Common Mode Voltage
- Additional Case Shielding
 - For Reduced EMI
- Tighten Load Regulation
- Special Extreme Temperature Designs
- Special PCB Shapes and Sizes

Triple power supply assembly for drop-in applications
Status LED Indicators
Custom Harness Assembly
Sheet Metal Housing

Power Supply Design for inclusion into standard electrical wall box
For use in powering shower digital controls

Packaging

- Private Labeling
- White Chipboard Boxes (including Special Dimensions)
- Custom Foam Inserts
- Nylon bag w. Customer Logo

Tooled Casing to fit pre-existing area
Usable with output cable or commercial wiring

Innovative

Custom Design, Plastic Tooling, Distribution Module, Waterproof Connections

Magnetics

- Custom/Multiple Windings
- Ferrite and Lamination Core
- Through-hole and SMD Mount
- Custom Bobbin Tooling
- Custom I/O Terminations
- Custom Toroidal Designs

Cables & Plugs

- Custom Connectors
- Custom PVC Overmolding
- Molded Ferrite Beads
- Custom Cable Harness
- Interconnect Adapters
- Molded Plug LED Indicator
- Waterproof Connectors

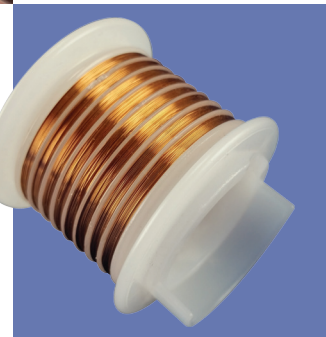

Turn-key Lens Cleaner

Precise

Custom Inductor for Dental X-Ray Machine
Tooled bobbin to fit into Customer's Equipment

Turn-key

- Engineering Design Support
- Complete Package Creation
- Custom Plastics
- Custom PCB
- Custom Cables
- Custom Packaging

... Let our team of Engineers turn your vision into a reality!
